## WHAT CAN YOU DO??

### Write to your councillors & MP:

- **object to** the lack of public consultation & visibility, lack of Strategic Environmental Assessment, over inflated housing targets for the area (without focusing to have these in the right location at the right price) and the ongoing threat to our communities, ecosystems and wildlife,
- **remind them** it is critical that they are involved in and contribute to Highways England processes now, and that they should be *representing our views*.
